

# Remedial Study Programme – Instructions and Required Readings

## Instructions and Required Readings

a.y. 2026-2027

Students assigned to the remedial study programme (individual assisted study) are invited to begin preparing the required texts listed below. Preparation should be limited to the subjects previously communicated via email.

Details regarding the modalities and timing of the oral examination will be provided exclusively by accessing the dedicated form on the Department's website, on the pages of the MA Programme in *International Studies* and the *Energy, Environment and Climate* Track.

You are kindly requested to confirm your intention to proceed with the entry tests by September 15th by writing to [rise.sp@uniroma3.it](mailto:rise.sp@uniroma3.it); otherwise, your pre-enrolment application will be irrevocably cancelled.

Please note that passing the entry tests does not guarantee automatic admission to the MA programme. Admission eligibility depends on the verification carried out by the Office for Students with Foreign Qualifications ([Iscrizione studenti con titolo di studio estero - Portale dello Studente](#)), in accordance with the official procedures and deadlines outlined on the “Enrolment” page of the University website, as well as on the documentation required for obtaining a student residence permit under Italian law.

## LANGUAGES

Students who already have prior knowledge of one of these languages but do not possess a recent language certificate may contact the instructors assigned to each language in order to schedule a date for a short oral test on the MTeams platform. The test may be taken until the end of November 2026.

For French and English, please pay attention to the initial letter of your surname, as one instructor is responsible for students with surnames A–L, and another for students with surnames M–Z.

Once the certificate has been obtained, it is the student's responsibility to upload it to the pre-enrolment application and to inform the Admission Committee by email at [rise.sp@uniroma3.it](mailto:rise.sp@uniroma3.it).
